## CLASSES OFFERED

**Classes Offered (Regular and Preferred):**

**Friday Jan. 1st: Standard Excellent, Master & Premier; JWW Excellent, Master, Premier**  
**Saturday Jan. 2nd: Standard All Classes; JWW All Classes; T2B; FAST All Classes**  
**Sunday Jan. 2nd: Standard All Classes; JWW All Classes; T2B**

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated. After the close of entries a dog may be moved down in their class level (ie, Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial.

### Height Divisions

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and less at the withers
12"	8"	For dogs 14 inches and less at the withers
16"	12"	For dogs 18 inches and less at the withers
20"	16"	For dogs 22 inches or less at the withers
24"	20"	For dogs greater than 22 inches at the withers
26"		Any height at withers, by owner discretion

## MEASURING and HEIGHT CARD INFORMATION

All agility dogs are required to have an Official Jump Height Card and exhibitors must be able to present it prior to running their dog(s) in any class or at any time during the trial upon request. Dogs without a valid Jump Height Card may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for this trial or back-to-back trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

**All measurements are effective immediately.**

Exception: Challenge measurements to Permanent Jump Height become effective when Challenge Measurement Process is complete (see Regulations).

Dogs entered in Preferred Classes must run in measured Height Division - must be moved up or down to proper height.

## OBSTACLES

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials

## COURSE FAMILIARIZATION, TIMING AND WARM UP

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

Electronic timing devices may be used.

## DOGS ELIGIBLE TO ENTER

This trial is open to all dogs 15 months of age and older that are registered with the American Kennel Club or are registerable breeds that have obtained an AKC ILP/PAL number or an AKC Canine Partners listing number. Dogs should be physically sound. Dogs that are blind or deaf shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word 'dog' is used in these regulations it includes both sexes. Canine Partners are allowed entry into this set of trials.
